

## Guide to Soviet Aviation Regiments 1939-1945

by Craig R. Crofoot

### Part One: Fighter Aviation Regiments

Version 2.0, 15 September 2003

This is meant to be a guide listing all of the Aviation Regiments of both the Army (VVS-RKKA) and Navy (VVS-VMF). As one unit is identified in a file, it will be noted in the list and for what period. I also added the Field Post Numbers of the units (courtesy of I.I., Ivlev's web site (soldat.ru)(long-work here). If it has 4 digits, it's from the 1941-1943 period while 5 digits are from the 1943-1945 period. **THIS IS NOT AN OFFICIAL LISTING OF UNITS.** Only those listed in Green are from official documents and records. Do not fear, I will slowly try to identify the units that do not have a FPN listed. If you have any questions, just e-mail me at: [rkkausa@msn.com](mailto:rkkausa@msn.com).
